Rich Inline Text

This document demonstrates inline text formatting within a PDF report.

Bold, Italic, Underline

A paragraph with **bold text**, *italic text*, underlined text, and inserted text (also underlined). Combine them: **bold italic** or **bold underlined**.

Highlighted Text

Use the mark element to highlight important phrases, like this yellow highlight.

Inline Color and Font Size

Text can be red, green, **navy and bold**, or **large purple**.

Strikethrough

The old price was ~~$99.00~~ but now it is **$49.00**!

Rich Text in a Table

Product	Status	Notes
Widget A	**Active**	Best *selling* item — restock soon
Widget B	Discontinued	~~Was $200~~ → Clearance
Gadget C	Under Review	Small muted note

Nested Formatting

This is **bold containing italics and red inside**, plus *italic containing ~~strikethrough~~*.
